A convenient city centre location, spacious conference rooms and dedicated AV support are the reasons why we're first choice for meeting and event conference organisers in the heart of Manchester.

Our venue offers bespoke conference facilities which include a professional tiered theatre, exhibition space and large private catering spaces for up to 280. These spaces are complete with state-of-art AV technology, projectors and screens, FREE Wi-Fi and flip charts.

From the get-go we strive for excellence in everything we do and our dedicated team of conference professionals go out to make sure your conference, event or exhibition runs like clockwork.
