### Premium Indian Tonic Water

By blending luscious botanical oils with spring water and quinine of the highest quality from the 'fever trees' from the eastern hill ranges of the Democratic Republic of Congo.

### Refreshingly Light Indian Tonic Water

Distinctively clean, crisp character of Indian Tonic Water, but with 46% fewer calories created by blending of subtle botanical flavours with spring water and highest-quality quinine

### Mediterranean Tonic Water

A delicate, floral tonic water created by blending the essential oils from the flowers, fruits and herbs gathered from around the Mediterranean shores with highest-quality quinine from the 'fever trees' of the Democratic Republic of the Congo

### Sicilian Lemon Tonic Water

A delicious lemon tonic water with an authentic refreshing taste and aroma created by blending the finest Sicilian lemons with spring water and quinine of the highest quality from the fever trees of the Democratic Republic of the Congo.

### Elderflower Tonic Water

A delicious, floral variation of our Indian tonic water created by blending the essential oils from handpicked English elderflowers with quinine of the highest quality from the 'fever trees' of the Democratic Republic of the Congo.

### Aromatic Tonic Water

A delicious, unique tonic water that can be enjoyed with gin to make a Pink G&T or as a sophisticated soft drink on its own created by blending the gentle bitterness of South American angostura bark with aromatic botanicals, such as cardamom, pimento berry and ginger.

### Refreshingly Light Cucumber Tonic Water

A delicate and fresh flavour, the light, crisp notes of cucumber essence are perfectly balanced with the gentle bitterness of our signature quinine from the fever trees of Eastern Congo. Blended with fruit sugar for 32% fewer calories than Fever-Tree Indian Tonic Water.
